

HONG KONG SOCIETY OF CLINICAL ONCOLOGY

20th March, 2013

Dear Colleague,

Subject: Symposium on Stereotactic Body Radiation Therapy (SBRT) Lung with the CyberKnife[®] System

The Hong Kong Society of Clinical Oncology cordially invites you to a Symposium on SBRT Lung with the CyberKnife[®] System, on 14th May 2013 (Tuesday) at Marco Polo Hongkong Hotel. It is our pleasure to invite Dr. Shelly HAYES, The Director, Radiation Oncology, Fox Chase Cancer Center, Philadelphia, as the speaker and the event is supported by Accuray Asia Limited.

The symposium will create an environment for in-depth and informative discussions highlighting the lung treatment with the CyberKnife[®] System. It intends to provide a platform for all medical professionals to exchange their knowledge and clinical experiences on advance radiation treatment.

It is an honour for us to organize this event, and we hope you to bring home a fruitful experience on your practice. Your presence would be a credit for our work. Enclosed please find more detailed information and a reply slip for your perusal. Your early response would be deeply appreciated.

For further details, please feel free to contact Mr. Alan Chan at 6333 0563 or CLCHAN@Accuray.com

We look forward to seeing you soon!

Yours faithfully,

Dr William Foo
Hon. Secretary
(encl.)

President: Dr. G.K.H. AU 歐國雄醫生
