Adrian K Dixon was born in Cambridge in 1948 where he is now Professor of Radiology at the University of Cambridge and Honorary Consultant Radiologist at Addenbrooke's Hospital, Cambridge. His interests to date have mainly centred on developing Body Computed Tomography and Magnetic Resonance Imaging. He gained his MD with a thesis on Computed Tomography of the lumbar spine in 1988. He has published extensively in Computed Tomography, Magnetic Resonance Imaging and various aspects of effectiveness within Radiology. He has written and co-edited various books on CT, Anatomy and Diagnostic Radiology. He has, in the last few years been awarded honorary Fellowship/Membership of Radiological Societies in Ireland, Sweden, Australia/New Zealand, Hungary and France. He was appointed Editor-in-Chief of *European Radiology* in 2007 and elected Master of Peterhouse in 2008.

All are Welcome
